COVID-19 Task Force Update Our COVID-19 Task Force met August 16. We continue to follow state leadership by suspending in-person gatherings at this time. Governor Cooper has stated that the earliest we might move to Phase 3 is September 11, so we plan to reconvene after that date to reevaluate our position. Our hope is that in Phase 3 we can begin exploring how to hold in-person small group meetings for various ministries, while continuing to utilize virtual resources as well. In the meantime, we remain committed to staying connected with one another *AND* to keeping each other and our community safe. We appreciate the creative ways CMR members continue to hold both of these commitments together. If you have any questions, suggestions, or items you'd like our team to consider at our next meeting, please share those with any task force member. –John Beyer, Ben Fike, Carol Garth, Bethany Gray, Wayne Massey, Caroline Smith
